CREATE HOPE
in the WORLD

We hope you had a wonderful Thanksgiving weekend with friends and family.

The holiday season is upon us! Join us this Friday as Sally Brewster from Park Road Books gives us book gift ideas for every age on your gift list! Sally joins us every year on the first Friday in December and always has wonderful suggestions!

Also, don't forget to RSVP for our Winter Party scheduled for December 8. If you aren't sure if you have responded, please do so again so that our social committee doesn't run out of food or wine at the party! And don't forget your White Elephant gift!

Please note that our quarterly meeting will be held on December 15. We will vote for our board members for the Rotary year 2024-2025 for both our traditional club and the Impact Club, and we will have to select a President-Elect at this meeting. If you are interested in serving, please let President Darrell know prior to that Friday. If you haven't served, this is a wonderful opportunity to get to know our members better and to suggest improvements for the coming year.

Upcoming Speakers

December 1: Annual Best Books for Holiday Gifts with Sally Brewster of Park Road Books

December 8: Reconciliation Studies in a Rwandan Village with Judy La Pietra

December 15: Quarterly Meeting/Officer Elections

December 22: No Meeting - Christmas

December 29: No Meeting - New Year's Eve

Please help us fill our speaker calendar!

We need a team for Friday meetings to help us run the meetings efficiently. Please sign up and help us ensure our meetings are well run and fun.

We believe good health care is everyone's right. Yet 400 million people in the world can't afford or don't have access to basic health care.

Disease results in misery, pain, and poverty for millions of people worldwide. That's why treating and preventing disease is so important to us. We lead efforts both large and small. We set up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. We design and build infrastructure that allows doctors, patients, and governments to work together.

Our members combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio. Prevention is important, which is why we also focus on health education and bringing people routine hearing, vision, and dental care.

**You are responsible for finding
your replacement if you can't
do your shift.**

We had a wonderful group at NC MedAssist on Tuesday, including fellow Rotarian Mark Daniels of the Charlotte Providence Rotary Club and two of his friends! Mark brought along Jim Huffstetler and Tom Mann. Both were there for the first time and all did a fantastic job in assembling orders for Rutherford County. Thank you Mark for your wonderful service today and for bringing in two new volunteers! Bonus? We had the warehouse all to ourselves today until Nicole arrived with her 13-year old cutie!!
