CREATE HOPE
in the WORLD

Black History Month

Per The History Channel, Black History Month is an annual celebration of achievements by African Americans and a time for recognizing their central role in U.S. history. Also known as African American History Month, the event grew out of "Negro History Week," the brainchild of noted historian Carter G. Woodson and other prominent African Americans. Since 1976, every U.S. president has officially designated the month of February as Black History Month. Other countries around the world, including Canada and the United Kingdom, also devote a month to celebrating Black history.

MATERNAL AND
CHILD HEALTH

We had a fantastic meeting last week where we celebrated two veteran club members, Tom Philson and Hugh Lewis, receive their Paul Harris Fellow+5 designations, representing their ongoing support of the Rotary Foundation which allows us to engage in meaningful service projects around the world!

We also heard Queen City Impact Club member Lorena Garza Prince speak about one of her many passions in life, the Phoenix Montessori School. Lorena shared with us how Montessori differs from traditional teaching and how the lives of their students are impacted daily!!

And I have to add that it was great seeing Taylor Houston from Promising Pages!

ZOOMformation Meetings

If you have ever wanted to know about the important work Rotary is doing beyond the four walls of your club, I would heartily encourage you to dial into a monthly ZOOMformation meeting. These meetings are hosted by our Zone Director Jeremy Hurst and are typically held on the first Monday of every month, beginning at about 1:00 pm ET. Some of our most cutting-edge projects are shared with attendees and at the conclusion of the presentations, breakout rooms are set up for anyone with questions.

This past Monday, I had the opportunity to participate with three other District Governor Elects from Zones 33 and 34 and to reflect on our experiences at International Assembly, the mandatory training program established by Rotary International for all District Governors. As I shared on the ZOOMformation call, this was without question, the best Rotary event I've ever attended. We were specifically asked to share several pictures which inspired us and I'm sharing mine below with the "why".

- At the beginning of the Assembly, we had the opportunity to hear from Herbert Jim, Chief of Culture for the Seminole Nation. He shared with us the significance of the land we were on. It was a perfect way to demonstrate the messages of inclusivity and belonging that we would hear from PE Stephanie, Rotary International DEI Chair Valerie Wafer, and others.
- This picture inspired me to commit to ensuring our clubs and our districts create a sense of belonging to all.

- This picture resonated with me because this is the future of Rotary. Partnerships are vitally important.
- This is actually a zoomed in picture of Rafael Peralta of the United Nations, Mark Maloney, Rotary Foundation Chair, and President Elect Stephanie, introducing a new partnership.
- We have a longstanding relationship with the United Nations, going all the way back to 1945; this newest partnership, specifically with the United Nations Environment Program (Community Action for Fresh Water), supports our newest area of focus, the Environment.

ZOOMformation Meetings

- This picture is very special to me as the gentleman on the left is my classmate, Kerim Muradi of D2430 in Turkey.
- In the fall of 2022, our District 7680 embarked on a Friendship Exchange led by Bob and Ineke Wilson, with Rotarians in D2430. We sent a group there, they sent a group here.
- And then a little less than one year ago, our Districts became forever intertwined. Devastating earthquakes killed over 100,000 people throughout Turkey, but because of that existing relationship, we were able to quickly marshal our clubs to support a global grant for District 2430 with 26 Rotary Clubs in District 7680 contributing 10,000 USD.

- For me, this is the beginning of the Rotary we know today.
- It's a reminder of what we are capable of doing in the most dire of circumstances and how with data and science, we really are capable of making lasting change in the world.
- It's a reminder that because of the work in the eradication of polio, we've been able to cause medical surveillance capabilities in places throughout the world that have led to the identification and control of other life-threatening diseases.
- It's a reminder that we keep our word and we do what we say we will do.

You don't have to wear a cape to be a hero in your life. No matter who you are or what you do, there are opportunities to be heroic all around you. You just have to know how to think and act like a hero so that when the opportunity arises, you'll be able to come through and save the day.

So be the change you want to see.

A true hero isn't all talk. They are constantly thinking about how they can take action and help. You may be inspired to be a hero for a certain cause or issue, or you may try to be a hero to someone in need.

Maybe stick up for a friend, classmate, or someone you work with who you feel is being treated unfairly. Maybe buy a meal for the homeless person everyone keeps walking by? Notice someone who is less fortunate and give them a helping hand.

In Rotary we promote the good, so being a hero is not just about working to put down the bad things in life like poverty, inequality, and oppression, it is also about working to promote and advance the good things in life like charity, kindness, gratitude and love.

Speaking out against injustice is important, but speaking out in favour of peace is just as valuable.

We need heroes now more than ever!

Diaper Bank - February 1

I'm so tardy posting this but life has been hectic the past few days. Wanted to give a huge shoutout to my wonderful neighbors who showed up in force at the Diaper Bank of North Carolina to wrap a number of donated diapers and pads! And, friend Colleen Rose Jones was there as well! Many thanks to Alex Fultz for being there and Cathy Jarrach Gallo, Lisa Amburgey, Amy Banick, and Andrea Reno! It feels good when you do good at Charlotte Dilworth Rotary!!

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world. Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects. With your help, we can make lives better in your community and around the world.

Our mission: The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

What impact can one donation have?

For as little as 60 cents, a child can be protected from polio.

\$50 can provide clean water to help fight waterborne illness.

\$500 can launch an antibullying campaign and create a safe environment for children.

Don't wait, claim your tickets before they sell out!

This February, text your book club, grab your bookish friends, and haul the “booktroverts” out of the house because it’s time for Novels & Nightcaps: A Book Fair for Grown-Ups. We’re celebrating our love of books and the childhood book fairs that fueled those literary flames. Peruse curated book collections from your favorite indie bookstores as you sip literary-inspired cocktails (and mocktails). Explore the lit-themed gift shop for bookish accessories, art, clothing, and unique gifts for every bibliophile. Did we mention the old-school book fair swag that will be on hand? It will be worth leaving the house for, we promise. Event proceeds will benefit Promising Pages, the Charlotte Area Book Bank.
