## President's Notes

Last week's speaker Anil Srivatsa, Gift of Life Celebration, gave the club some interesting things to think about when it comes to donating our organs. He also gave us some stats on how often donors are overlooked in death because first responders and others are not trained to look for that information in the instance of death. He also gave us some ideas and guidelines on how to make a difference in our cities and counties. If you would like to view his presentation, [click here for our YouTube video](#).

Please note that Charlotte International is in need of a host family for their Rotary Youth Exchange student. Kevin and I have hosted three students and loved it! If you have never hosted, please consider giving this student a home. It is an experience you will never forget, and you will have a "daughter" living in another country for life!

# Host Family Needed for RYE Student

Mark Lohsen, President, Charlotte International Rotary Club

Charlotte International Rotary Club (CIRC) needs help from fellow Rotarians.

CIRC arranged to house a Rotary Exchange Student for the 22/23 academic year. Our third host family, however, has found that their house has serious mold problems. Their interior walls have been removed for access to the studs. Remediation is underway, but the homeowners have had to leave their house and move into accommodations that do not permit them to host our student.

Our student is a senior at Myers Park High School. Under the terms of the RYE arrangement, the host families must reside in the MPHS transportation boundaries or have transportation to and from school completely supported. The hosting period is March 10 – July 16 (with a two-week RYE student excursion in early June.) There are other requirements, including a home arrangements check by the District. Our club is providing a \$150 monthly stipend to the student to cover incidental or miscellaneous expenses.

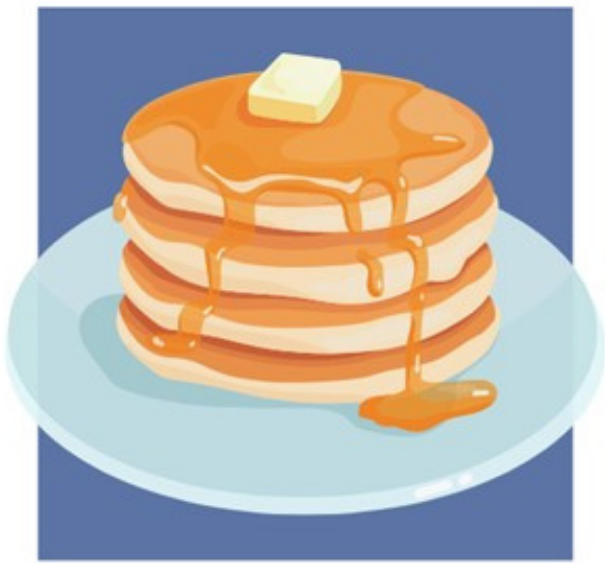

How you can help:

1. Please present our issue to your club at large and see if any members might be interested.
2. Ask your membership if an extended family member or someone in their network of friends might qualify and might be interested in hosting.
3. Excuse our having to approach you, but we are facing some critical time constraints.

Thanking you in advance.

# A Note from Amarja, President Elect and Fundraising Chair

Hello friends,

Hope you are doing well. As some of you know, our club is hosting a fundraiser on April 29th at Latta Park in Dilworth. The fundraiser committee has been great in getting things done, but we still need help from you all to make this a success.

## **Outline:**

Raise funds for Levine Children's Hospital and Dilworth Charities. Create awareness of Dilworth Charities, Rotary Club of Dilworth SouthEnd, and Rotary in general. We expect approx. 300 guests .

## **When:**

Location: Latta Park, Dilworth

Date: April 29th, 2023

Time: 8:00 am start for setup

Event runs 12:00-5:00 pm

Cleanup by 8:00 pm

## **How:**

We plan to raise funds with the sale of beer/cider, burgers, drinks, tickets for a bouncy house, vendor sponsorship for tents, and raffle tickets.

## **Beer/Cider:**

We need leads to approach breweries for sponsorship. We will have tents selling beer and cider and would ideally have 2-3 breweries on board. Please let me know if you have any contacts at the breweries.

## **Burgers:**

If anybody has contacts with butchers or meat vendors please let me know. Ideally, we would like to get sponsorship for the meat and other condiments. We plan to have veggie burgers too, so if anybody knows vendors who sell vegan meat, please let me know.

## **Drinks:**

we plan to set up a tent to sell non-alcoholic beverages. If anybody knows or would like to sponsor drinks, again please let me know.

## **Raffle:**

we plan to sell raffle tickets and draw every hour. We need items and gift cards for prizes. If you know of any businesses that would like to donate gift cards or items please contact me.

## **Tent Sponsors:**

We plan to have vendors at the event. Vendors can set up shop and we will provide them a tent and one table. The charge is \$200/tent. If you know of any vendors that might be interested, please let me know.

## **Band:**

Our own Angie has graciously offered to provide us with tunes and equipment. Thank you!!

We plan to hang a banner for our bigger sponsors.

If you'd like to join the committee let me know. We need all the help we can get.

### 5 REASONS WHY WE MUST ERADICATE POLIO

#### 1 TO IMPROVE LIVES.

Today, 19 million people who would otherwise be paralyzed by polio are walking, and 1.5 million people who would otherwise have died are alive.

#### 2 TO INVEST IN THE FUTURE.

If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year. A polio-free world will be a healthier world for children everywhere.

#### 3 TO IMPROVE CHILD HEALTH.

Polio surveillance networks and vaccination campaigns also monitor children for other health problems, like vitamin deficiency and measles, so we can address them sooner.

#### 4 TO LOWER HEALTH CARE COSTS.

The global effort to eradicate polio has already saved more than \$27 billion in health care costs since 1988, and expects to save \$14 billion more by 2050.

#### 5 TO MAKE HISTORY.

Polio eradication will be one of history's greatest public health achievements, with polio following smallpox to become only the second human disease eradicated from the world.

# Charlotte International Needs for Afghan Families

Jerry Overcash, Charlotte International Club

Thanks to all of you - Charlotte Rotarians and our friends - who have been instrumental in helping over 70 Afghan refugee families find places to live in Charlotte that are fully (and thoughtfully) furnished. Just last week, your donations included 2 mattresses, 2 big rugs, a beautiful kitchen table, a cooker, 2 sets of dishes, a baby crib, lots of bedding, clothes, a tv, iron and many assorted kitchen items. We are so grateful for your support.

This week a few new families have arrived and the following are some special needs that currently exist:

1. TVs
2. car seats
3. tray
4. teapots
5. mixer
6. insta pots (for rice cooking)
7. kitchen dishes
8. bowls and silverware
9. sofa

As always, we appreciate your spreading the word and helping fill these needs whenever you can. Call me at 704 606 7951 to discuss or arrange pick up. We thank you for all you've done and all you will do on behalf of this wonderful project.

# Ways to Help Turkey and Syria

DG Kam Chandan

My fellow Rotary members and friends of Rotary,

Turkey and Syria were struck by a devastating earthquake on February 6th that killed tens of thousands of people, destroyed thousands of homes and other structures, and left people across the region without shelter in bitterly cold winter weather. The main natural gas line was broken, so electricity and heating is the biggest issue at the moment.

Our Rotary Friendship Exchange Partner D2430 and two neighboring Districts need your help. Many Rotary members are asking how they can support them.

Here's how to have the greatest impact:

- Rotary Club of Huntersville Happy Hour is partnering with Rotary Clubs in Gaziantep leading the rebuilding effort in the Gaziantep region with a Global Grant. [Tax-deductible donations can be made online](#). See attached to learn more.
- Give to [The Rotary Foundation's Disaster Response Fund](#). From now until 31 March, all donations to our Disaster Response Fund will be used to aid Turkey-Syria earthquake relief projects.
- ShelterBox provides shelter, essential items and technical assistance to help some of the world's most vulnerable people recover and rebuild their homes after disasters. [Donate online](#).
- [Aquabox](#) is a Rotary-led organization. Aquabox responds by sending its AquaFilters and humanitarian aid, working closely with selected aid agencies and distribution partners who ensure that the aid reaches those most in need. [You can set up your own fundraising campaign or donate on our JustGiving page](#).

Thank you in advance for what you have done for Rotary and what you will do for Rotary.

Thank you,  
Kamlesh (Kam) Chandan

# Support a Ukrainian Family

Rotary has been collaborating with our partners and other organizations to meet humanitarian needs in and around Ukraine. Clubs have been providing food, water, medical equipment, and other supplies.

What people who have fled their homes need most is safety — and Rotary members have been instrumental in finding them shelter. But people still need help.

That's where Rotary members in the U.S. can get more involved. Rotary is collaborating with [Welcome.US](https://www.welcome.us), an organization working to engage more Americans in welcoming newcomers, with a focus on sponsoring refugees.

Through [Uniting for Ukraine](https://www.unitingforukraine.org), Rotary and Rotaract clubs and members in the U.S. can sponsor a person or a family that has fled the war and help them relocate to the United States.

To sponsor a Ukrainian refugee family and offer them a stable environment:

- Sign up to [get connected](https://www.getconnected.us) to a Ukrainian family.
- Use [district grant funds](https://www.districtgrantfunds.org) to help with resettlement costs.
- If you have more questions, write to [trf.welcome@rotary.org](mailto:trf.welcome@rotary.org).
- Learn more about [the Rotary-Welcome.US](https://www.rotary-welcome.us) collaboration.
