CREATE HOPE
in the WORLD

Rotary makes high-quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation — all of which can be prevented.

HOW ROTARY MAKES HELP HAPPEN

Rotary provides education, immunizations, birth kits, and mobile health clinics. Women are taught how to prevent mother-to-infant HIV transmission, how to breastfeed, and how to protect themselves and their children from disease.

Last Week's Meeting

by DGE Kevin Kendrick

What an amazing year it has been for our Charlotte Dilworth Rotary Club and Charlotte Queen City Impact Club which joined ours at the beginning of this Rotary year on 7/1/2022. We were led by President Jenny who in spite of her physical challenges, overcame obstacles and cleared hurdles in ensuring the business of Rotary was done.

She embraced the Queen City Club and ensured their collective voices were heard by inviting them to attend and participate in our Dilworth Club meetings while always participating in their Board meetings as well. She ensured that service projects were shared between our organizations and social events as well. Queen City members were invited to attend our Club meetings when they could as we wanted to ensure full integration.

Jenny also instituted service projects that our members could get involved with at meetings. These mini-projects involved working with our partner non-profit members. She also sponsored several Discover Rotary membership opportunities and led our relocation to Covenant Presbyterian, no easy task.

Jenny diligently produced our weekly newsletter and maintained both our [club's website](#) and the site of our non-profit, [Dilworth Charities](#). She kept close track of volunteer signups for service projects.

Friday was President Jenny's last day and she provided the Club with an awesome review of all we've done this year, including our first fund- and friend-building campaign called "*Party in the Park.*"

We also had the honor of being visited by our District Governor Kamlesh Chandan and our Assistant Governor, Jerry Coughter. They were there to recognize the installation by PDG Jim Stump, of our new President, Darrell Bonapart who will assume the reins on July 1. And they were there to celebrate our collective success as a Rotary Club within an amazing year for our entire Rotary District 7680. Congratulations to ALL and especially my President Jenny, for an outstanding job!

THESE ITEMS
ARE ALWAYS
NEEDED

NON-FOOD DONATIONS

The Queen's Cupboard is a project of the Queen City Impact Club, Charlotte, NC. We are a pantry that provides essential, non-food items to families in need. We focus on non-food items because they are oftentimes not covered by public assistance and are sometimes cost-prohibitive for people who need them most.

CURRENT NEEDS

- Male Deodorant
- Female Deodorant
