CREATE HOPE  
in the WORLD

Dear Members,

Please remember to download the Ignite app and ensure you can access DACdb for Friday's meeting per previous email. Rotarian Chris Jones will be walking us through using the app.

This app will:

- give you access to members' contact information
- the ability to "text" or call them
- to pay your dues
- to add your service hours
- to check the calendar for upcoming events
- to check your Rotary Foundation giving

Please note that starting next week, Covenant will be having work done on the Fellowship Hall roof, causing limited access to the parking lot. See page 2 for more information, and plan accordingly.

## Upcoming Speakers

- April 12: Ignite with Chris Jones
- April 19: Mental Health with Dr. Jeanette Bennett
- April 26: Research Findings to Optimizing Longevity with Jeffrey Galvin
- May 3: Shermco Foundation with Jia Lin-Bothe
- May 10: TBD
- May 17: Latta Park Annual Picnic, Latta Park
- May 18: Dilworth Jubilee, Latta Park
- May 24: No Meeting - Memorial Day

# Covenant Parking

Kathy Pickard

Covenant is having some roofing work done on our Fellowship Hall building during the time frame of April 16 – May 3. Should not impact any of the meetings held during this time except for our parking situation.

Construction equipment will be in the upper parking lot behind Fellowship Hall. The parking lot entrance at Dilworth Rd., and the connecting entrance between the upper parking lot and our main drive will be closed during this time. See map below to help visualize this. Please inform your group participants about this access change and the slightly reduced number of parking spaces. Evening groups will likely not be impacted by the parking issue as much as groups meeting during daytime hours.

## Chris Jones

## Ignite

Sometimes the best Rotarians grow out of someone who never even knew what Rotary was. That might be the case with Past District Governor Chris Jones, who was initially invited to learn more about a new Rotary Club that was forming near where he worked and lived in Catonsville, MD (District 7620).

Chris readily admits business networking was the initial lure to join. "Then I saw the service projects and the way the club was giving back to the community, both locally and globally, and I had to join," he said.

Soon after being asked to serve as President of the club, Chris moved to North Carolina. Fortunately, he found the same qualities he enjoyed so much in Maryland in the Rotary Club of Lake Norman-Huntersville, (he is now a member of the Rotary Club of Cabarrus County) and it was only a matter of time before he was again involved in club leadership. This time, however, it went to an entirely new level as he began assuming roles in both his district and ultimately his zone.

Chris' Rotary service crosses numerous areas of focus, having led committees for The Rotary Foundation, International Assembly Learning Facilitator, Carolinas' PETS Training Director, membership, and public image, just to name a few. He is a past Rotary Coordinator for Zone 33 and past Co-Chair of the Innovative Club Advocates and is now serving the Zone as the Vice-Chair of the [Zones 33/34 Membership Action Plan \(MAP\)](#). On a less formal (but perhaps more fun) note, he served as the president of the [International Fellowship of Motorcycling Rotarians](#) from 2016-19 and is a charter member of the [Whisk\(e\)y Drinking Rotarians Fellowship](#), but he is certain to never mix the two at the same time.

"Rotary is like a family for me," said Chris. "When my wife became quite ill and we had no family in the area, Rotary acted just like family. They took care of us, fed us, helped us move and so much more."

After 23 years in Rotary, Chris has far too many amazing memories and "Rotary moments" to list them all, but he cites the opportunity to visit India for National Immunization Day (NID) as one of his favorite experiences. "WOW! We learned not only how important the work that Rotary does in polio eradication, but also saw many other projects where Rotary has made life-transformational impacts for the people of India."

As a respected Rotary leader, Chris is often invited to share his expertise with clubs and districts around the world. Chris has a passion for Rotary, and as such he serves DACdb as its President and CEO. "I'm proud to be called a Rotarian and proud of the people I serve with to make a difference," said Chris. "Rotary allows me to lay my head down on the pillow at the end of the day and know I've made a difference, and that allows for good sleep. Rotary is simply the best place to meet people, exchange ideas, take action, and make the world a better place."

# Earth Day - 04/22/2024

Earth Day 2024 falls on Monday, April 22. This annual event serves as a powerful reminder of the significance of environmental conservation and sustainability. On this extraordinary day, people around the world come together to honor our remarkable planet and take action for a healthier Earth and a brighter future.

The theme for Earth Day 2024 is “Planet vs. Plastics”. EARTHDAY.ORG is unwavering in its commitment to end plastics for the sake of human and planetary health. The goal is to demand a 60% reduction in the production of ALL plastics by 2040. Plastics pose risks to humanity and all living creatures, disrupting the delicate balance of life on Earth. To address this, we advocate for rapidly phasing out single-use plastics, pushing for a strong UN Treaty on Plastic Pollution, and promoting innovative solutions to build a plastic-free world 3.

Join the movement, participate in events, sign petitions, volunteer, and make a meaningful impact. Let’s protect our planet today and for generations to come! 🌍🌱

Watch their video by clicking on the image below.

Rotary has seven areas where we direct much of our time and resources. One of those seven areas is Peace. And to demonstrate our commitment to promulgating peace, we have seven Rotary Peace Centers around the world where individuals who are interested in pursuing academic studies can attend. It's a highly competitive process to become a Rotary Peace Fellow, but the effort is worth it for all concerned. Peace Fellows acquire skills in research and conflict analysis, conflict resolution, communications skills and leadership.

One of those Peace Centers is at Duke/UNC in Chapel Hill. I had the opportunity to witness the graduation of ten Fellows from the program at Duke-UNC. But it goes far beyond a ceremony. We had the distinct honor of learning what these incredibly bright and motivated students have been working on and those projects included discussions on:

- Vietnam's social insurance system and growing inequity in the system;
- the need for training community health workers in South Africa on what gender-based violence looks like;
- Re-thinking what International aid looks like in Afghanistan and how it is utilized;
- enhanced training for the military in Chile to better assist in a growing immigration crisis;
- respecting the rights of indigenous peoples in Thailand who live in protected woodlands;
- ensuring access to healthcare for Latinos in North Carolina with the introduction of Medicaid benefits.

Every single presentation was highly researched and professional. I could not have been more impressed.

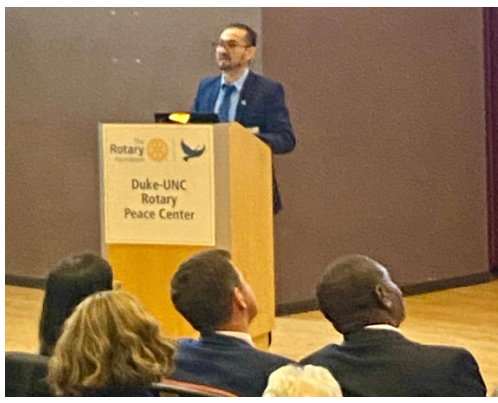

Rotary has graduated some 1700 of these Peace Fellows and we know, this is how change happens.

Since March 2020, MeckMIN ([Mecklenburg's Metropolitan Interfaith Network](#)) has been convening regular Zoom meetings for faith, community and nonprofit leaders. These meetings allow diverse leaders to share information and resources to foster a robust, coordinated, and effective response to the needs of our community, especially our most vulnerable neighbors. We meet every other Thursday at 11 a.m. We usually get about 50-60 people and typically an additional 100 or so read the minutes.

We will meet next on March 14 at 11 a.m., and we hope you'll join us.

## Grist Mill Service Day - Charlotte Providence Club

Saturday, April 27th, at 9am

Join fellow members and Interact students for a work day at the Isaac Alexander Grist Mill site behind Myers Park High School.

Wear work clothes and boots, bring gloves (and your water bottle), and let's dig in the dirt to spruce up this important historic site!

Teenagers are welcome, but be aware the site is not safe for younger children.

The site location is on the back side of Myers Park High School, 2400 Colony Road, Charlotte, NC 28209. But, you will enter at the school's back entrance from Runnymede Lane to the back parking lot & park at the far end by the Green House.

The trail entrance is behind the Green House. Follow the trail downhill and to the left to get to the Grist Mill.

[Check out the fascinating history of the site here.](#) [Email Fitz Lee with any questions.](#) Kudos to Fitz for carrying on this effort started by Honorary Member Morgan Speir!

# Opportunities to Serve

We become Rotarians to serve, to inspire, to make a difference in our world. Serve as a Seminar for Tomorrow's Leaders (SFTL) Volunteer and you will accomplish all that and so much more. Year after year our Volunteers are inspired, energized, amazed and reminded of why they are Rotarians. I served the past three years and was humbled and tired, but mostly excited about our youth. These young leaders are our future and SFTL is preparing them to make the decisions that will impact humanity.

SFTL will once again be held at Gardner-Webb University, July 18-21, 2024. We need a few more Volunteers to be onsite Mentors. Please complete the [2024 SFTL Volunteer Application](#) if you are interested in helping out.

AG Steve Buteau, Past President of the Rotary Club of Alleghany County, is our SFTL Volunteer Coordinator. Please direct your inquiries to Steve at 401.824.9190 or [s\\_buteau@yahoo.com](mailto:s_buteau@yahoo.com) . We appreciate your support of our youth.

Sincerely, PDG Scott, SFTL Chair

**NON VIOLENT COMMUNICATION TRAINING**

**Sunday, April 14 | 1:30 - 3:30 PM**

Baha'i Center of Charlotte (3514 Marvin Road, Charlotte, NC 28211)

**What is it?**

**Nonviolent Communication (NVC)** is a form of compassionate communication that can help de-escalate and transform interpersonal, inter-group, workplace, and organizational conflicts. Practicing NVC can enable us to understand ourselves, our feelings, and our needs more deeply—and open our hearts to better connect and collaborate with others. It creates a path for healing and reconciliation in many relational contexts.

**Who should take this training?**

Anyone interested in strengthening their relationships and learning how to better communicate and connect with others.

**Intro Training Objectives:**

1. Practice Self-Empathy and Other-Empathy
2. Learn the five key movements of NVC
3. Practice and acquire the skills of NVC for interpersonal conflict

# An Invitation to a Practice Presentation for Montessori Model United Nations Students

Lorena Prince

Dear Friends!

I would like to invite you, and your Club members to the practice presentation for our [Montessori Model United Nations](http://www.phoenixmontessori.org) students on April 25th from 1:00pm to 3:00pm at Mosaic Church 10624 Metromont Parkway in Charlotte.

If you are interested in attending you can send me an email or text ([lorena@phoenixmontessori.org](mailto:lorena@phoenixmontessori.org); 910-200-1196) and let me know you would like to attend. It's a really cool experience for the kids and would be very special if we had community leaders there, too. :)

I hope to see you there! -Lorena Prince

See below for some information on our program:

Phoenix Montessori students in Upper Elementary and Middle School will be traveling to Rome, Italy this year to attend the annual MMUN conference.

MMUN students formulate, present, debate, and revise positions on current issues that are affecting people of the world. By assuming the perspectives of a citizen of their selected countries, MMUN students not only develop an understanding of the needs and rights of others, but also learn to respect the cultures, the political views, and the belief system of others.

Taking on their ambassadorial roles in a Model UN simulation, students research the issue that their UN committees will address. Model UN participants learn how the international community acts on its concerns about topics including peace and security, human rights, the rights of the child, child labor, the environment, food and hunger, economic development and globalization.

**The Rotary International Convention: Unforgettable moments, enduring relationships**

The Rotary International Convention is where you'll find people of action from around the world brainstorming solutions to some of the most pressing challenges and celebrating our works of service that create lasting change.

The convention is where you'll renew connections, discover fresh perspectives, and create unforgettable moments and enduring relationships.

At the convention, you'll:

- Participate in engaging breakout session discussions
- Attend motivating general sessions
- Network with fellow changemakers
- Mingle with old and new friends
- Browse exhibits and visit the House of Friendship
- Explore an exciting host city
- Enjoy live entertainment and enriching attractions

The convention is our largest event of the year, a chance for members to show the general public who we are and what we do. Join us at this year's Rotary International Convention and show the world who you are and all that you do.

**The Rotary Foundation** transforms your gifts into service projects that change lives both close to home and around the world. Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects. With your help, we can make lives better in your community and around the world.

Our mission: The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

What impact can one donation have?

For as little as 60 cents, a child can be protected from polio.

\$50 can provide clean water to help fight waterborne illness.

\$500 can launch an antibullying campaign and create a safe environment for children.
